

**INDIAN INSTITUTE OF TECHNOLOGY ROORKEE
ROORKEE**

No. Acd/ 3401 /2018-19

Dated: May 14, 2018

NOTIFICATION

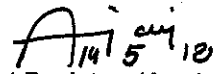

It is hereby notified that as per Ph.D. admission rules and regulations A.5, the students of I year of M.Tech./M.Arch./M.U.R.P. Programmes of IIT Roorkee have an option to switch over to Ph.D. under Dual Degree (M.Tech./M.Arch./M.U.R.P.+Ph.D.) Programme. The general guidelines and procedure for switching over to Ph.D. programme are given below:

General Guidelines:

1. This programme is applicable to every department/centre having M.Tech./M.Arch./M.U.R.P. Programme.
2. After completing two semesters of M.Tech./M.Arch./M.U.R.P. I Year, the students having CGPA more than 8.50 will be given the choice to apply for Ph.D. Programme, if he/she desires.
3. The candidates should have been registered for TWO semesters of I Year of M.Tech./M.Arch./M.U.R.P. programme and successfully completed all courses of I Year including seminar.
4. Once admitted for Ph.D. Programme, normal Ph.D. rules, including fellowship, leaves etc. will be applicable.
5. These students will get two degrees both M.Tech./M.Arch./M.U.R.P. and Ph.D. after successful completion of Ph.D.
6. The students admitted for Ph.D. may have to do extra courses as recommended by SRC of the respective department/centre to carry out the research work.
7. These students will have to go through comprehensive written and comprehensive oral examination, after completing the extra courses, if any.
8. Only after successfully completing the comprehensive examination, the students can present the research proposal.
9. The comprehensive examination and the presentation of research proposal should have been completed within a year from the date of switching over to Ph.D. Programme.
10. These students will not be eligible for campus placement along with M.Tech./M.Arch./M.U.R.P. students. However, they can appear for campus placement alongwith Ph.D. students.
11. If the students fails in comprehensive examination, he/she may continue with M.Tech./M.Arch./M.U.R.P. programme.
12. In case, if a student is asked to leave Ph.D. Programme in between due to some reason, after the candidacy, he/she can leave the programme with M.Tech./M.Arch./M.U.R.P. degree only provided he/she submits the work completed till then as M.Tech./M.Arch./M.U.R.P. dissertation work satisfying the requirement of M.Tech./M.Arch./M.U.R.P. degree. However, if a student leaves the programme on his/her own, he/she will not be entitled for any degree.

Procedure for Switching over to Ph.D.:

1. Students aspiring to switch over from M.Tech./M.Arch./M.U.R.P. to Ph.D. will apply, online at pgadm.iitr.ernet.in from May 16, 2018.
2. The downloaded application form will be submitted alongwith the photograph and required documents in the PG Admission Office before the last date i.e. May 28, 2018. The date for the interview will be intimated by the concerned departments/centres.
3. The applications will be sent to concerned department/centre for selection.
4. The department will constitute a committee to interview the candidates applied for dual degree.
5. The merit list will be prepared considering 40% weight to CGPA and 60% weight to interview.
6. The list of recommended students will be sent to PG Admission Office.
7. Once admitted, the supervisor(s) of the student will be decided as per procedure laid down for Ph.D. candidates admitted directly.
8. One faculty member can generally take only one student under this dual degree programme, if more than one is taken by a faculty member, a proper justification from the department is required.
